Tampa Bay Health Plans, Inc.: This HMO became Federally qualified in April, 1983, and, according to the HMO's Managing Director, expects year-end enrollment to total 5,000.

Notes

<sup>1</sup> INA HealthPlan, Inc. (Miami) acquired American Health Plan, Inc. in January, 1982.

<sup>2</sup> Variance in enrollment figures based in part on type of "member" reported. CAC sometimes reported fee-for-service patients as well as enrolled prepaid members.

<sup>3</sup> Prepaid Health Care Inc.'s Federal qualification was revoked in August, 1981.

<sup>4</sup> South Florida Health Services, Inc., never became Federally qualified.
